### AUTHORIZATION AND APPOINTMENT

The State Government Efficiency Review Committee was established in 2010 Iowa Acts, chapter 1031 (SF 2088), Iowa Code section 2.69, enacted during the 2010 Legislative Session. The Act reflected recommendations advanced by the State Government Reorganization Commission which met during the 2009 Legislative Interim. The committee's charge is to meet every two years to review state government organization and efficiency options and receive state government efficiency suggestions offered by the public and public employees, with the first report due by January 1, 2013.

## State Government Efficiency Review Committee

---

The State Government Efficiency Review Committee met during the 2011 Legislative Interim and submits the following as its Biennial Report to be submitted to the General Assembly no later than January 1, 2013:

1. The Final Report of the committee, dated January 2012, and approved by the committee on February 3, 2012. (<https://www.legis.iowa.gov/DOCS/LSA/IntReport/2012/IPRSN000.PDF>)
2. Senate File 2338, An Act Relating to Government Operations and Efficiency, passed by both chambers of the General Assembly during the 2012 Legislative Session but not ultimately enacted. (<http://coolice.legis.iowa.gov/CoolICE/default.asp?Category=billinfo&Service=Billbook&menu=false&hbill=sf2338>)

The committee encourages the General Assembly to review and give careful consideration for possible legislation during the 2013 Legislative Session of the government efficiency proposals contained in this legislation.
